I understand no work may be performed in the public right of way or within County or Trustee Drainage Districts without being licensed through the County Engineer's Office and having permission for work authorized by either the County Engineer, County Auditor, or Drainage District Trustee. It's solely my responsibility to renew my license through the County Engineer's Office in a timely manner and before any work in the above areas can be undertaken. I understand if I let my insurance and/or bond lapse, I must contact the County Engineer's Office to have my name removed from listing of licensed contractors.
