### **Home Base Iowa Update**

Maria Bilharz stated her office has asked for the Home Base Iowa Resolution to be signed by the Cerro Gordo County Supervisor's, and to be put on the agenda. This is tentatively set for Monday, April 24 for the resolution to be signed.

Once signed, the VA office will collaborate with the Supervisors on what could be included to the incentive package. VA office staff met with each Supervisor on Thursday April 20<sup>th</sup>. Supervisors are leaning with a monetary incentive option to be used as a down deposit on a home, and/or a utility hook up. Not to exceed \$500 per veteran to see how this first year goes. This can be changed at any time, but the resolution acknowledging we are evolving as Home Base Iowa County is key.

The VA office will verify with the Supervisor's what their expectations are of our VA office managing the program. Supervisors have agreed that the monetary funds to plenish the program will be accommodated by them. A revenue and expense line item for any income donations and funds from the Supervisor's has been created.

Two donations have been received from the VA office to help fund the program was from the Clear Lake Lion's Club \$250 and \$100 from the Rockwell Lion's Club.

### **April Tree Donation**

The VA office was advised by the nursery on the tree order that trees should arrive the week of April 24<sup>th</sup> but have not been given a specific date yet. Weather delayed the arrival times for the trees. The trees were paid for and was less than \$800 this year, which ended up being less than last year's bill. The cap was set at \$1,000 to spend. The trees are going to Ventura and Dougherty this year.

### **Spring IACCVSO Training**

Spring Iowa Association of Commissioners and County Veterans Service Officers training took place in Des Moines April 10-13<sup>th</sup>. Paul and Maria attended this training. It was well rounded, and we have turned in our accreditation credits electronically to the National Association of County Veteran Service Officers who maintains our accreditation. The dues for the VA office are paid up to maintain our membership.
