

**DATE:** December 31, 2025  
**TO:** Cerro Gordo County Supervisors  
**CC:** Michelle Rush, Assistant Zoning Administrator, Cerro Gordo County  
**FROM:** Daniel Ries, Cerro Gordo County Department of Public Health  
**RE:** Manure Management Plan for Tom Weaver (Weaver Finishing Site)

This report is to make you aware of concerns regarding a Manure Management Plan update received by this office from the **Tom Weaver (Weaver Finishing Site)** swine operation. This report is being submitted according to Resolution 2003-123 **A Resolution Adopting Policy for the Receipt, Review and Comment on Manure Management Plans Received by the Cerro Gordo County Board of Supervisors**. Within seven (7) days of receipt of the manure management plan the Environmental Service Manager shall review the Manure Management Plan and prepare a report to the Board of Supervisors detailing concerns to forward to the Iowa Department of Natural Resources.

The operation is located at **21880-150<sup>th</sup> Street in the SE ¼ of Section 4 in Dougherty Township**. This site houses 2,400 hogs and 2,600 nursery pigs. Annual manure production is 1,190,000 gallons. The application area consists of 456.37 acres in Sections 4, 9, and 10 in Dougherty Township. **The operator indicates no changes have been made.** The concerns are listed below:

- There is a grassed waterway in the field in Section 9 of the manure application area.
- The unincorporated village of Cartersville is within one-third mile of one of the fields where the manure will be applied.
