Board of Supervisors,

I would like to be on the Agenda to set a public hearing to give an opportunity for the public to talk about the speed zone change I would like to make on Thrush Avenue from the Mason City corporate limits South to the intersection of S56 (Thrush Ave) and 240th Street for both the Northbound and Southbound lanes and on 300th Court from US 65 (Orchid Ave) ROW West to the 300th Court dead end for both lanes of 300th Court.

I would like to reduce it from 60mph to 45mp in the areas mentioned above.
