Subject: Cerro Gordo County - Board or Committee Application Form

Application for Cerro Gordo County Board Appointment

Name: Melissa Evans
Address: 922 N Carolina Ave.
Mason City, IA 50401

Email: snavekm@gmail.com
Phone: 641-781-1377

Female

1. **Name of Board or Commission for which you are applying:**
   North Iowa Area Council Of Governments (NIACOG)
2. **Are you a qualified elector in Cerro Gordo County?**
   Yes
3. **Do you live within:**
   In a city in Cerro Gordo County

   If yes, list Township:

4. **Why do you wish to serve on the Board or Commission?**
   I want to be involved to make a difference and help make North Iowa better for North Iowans.
5. **What contributions do you feel can make to the Board or Commission?**
   I can contribute insight to NIACOG by providing input into undertakings that relate to economic development and community development.
6. **What experience, education, etc, do you feel you have which qualifies you for this Board or Commission?**
   I own my own business, which suits being an economic development representative on the

NIACOG board, and I have served on multiple committees such as the Mason City Chamber of Commerce, which have given me experience in serving on boards and learning about how to positively impact my community. I also have an advanced degree.

SUBJECT: Manure Management Plan for Braun Farms

This report is to make you aware of concerns regarding a Manure Management Plan Annual Update received by this office from **Braun Farms** swine operation. This report is being submitted according to Resolution 2003-123 **A Resolution Adopting Policy for the Receipt, Review and Comment on Manure Management Plans Received by the Cerro Gordo County Board of Supervisors**. Within seven (7) days of receipt of the manure management plan the Environmental Service Manager shall review the Manure Management Plan and prepare a report to the Board of Supervisors detailing the issues to forward to the Iowa Department of Natural Resources.

The confinement unit is located at **3378 100th Street, Meservey, in Section 33 of Grimes Township in Cerro Gordo County**. The operation consists of 2,400 hogs which will produce 613,200 gallons of manure annually that is stored in below-building pits.

The plan shows a total of 230 acres will be used for manure application; 62.9 acres in Wisner Township in Franklin County. The remaining 167.1 acres are located in three fields in Section 33 of Grimes Township in Cerro Gordo County. **The plan indicates that no changes have been made since last year.** The concerns are listed below:

- The application area is adjacent to the city limits of Meservey.
- The application area is about 2½ miles from Thornton.
- The application area is about 2¼ miles from Ring-Neck Wildlife Area.
- The application area is about ½ mile from the Prairie Land Trail.

If you have any questions regarding this information, feel free to contact this office at (641) 421-9306 or Lhunt@cghealth.com.

SUBJECT: Manure Management Plan for Amaracon LLC (The Gray Barn Facility)

This report is to make you aware of concerns regarding a Manure Management Plan Annual Update received by this office from **Amaracon LLC (The Gray Barn Facility)** swine operation. This report is being submitted according to Resolution 2003-123 **A Resolution Adopting Policy for the Receipt, Review and Comment on Manure Management Plans Received by the Cerro Gordo County Board of Supervisors**. Within seven (7) days of receipt of the manure management plan the Environmental Service Manager shall review the Manure Management Plan and prepare a report to the Board of Supervisors detailing the issues to forward to the Iowa Department of Natural Resources.

The confinement unit is located at **2661 Balsam Avenue, Dougherty, IA in Scott Township in Floyd County**. This is an existing operation that is not expanding. The operation consists of 2,490 hogs that produce 963,706 gallons of manure annually that is stored in below-building pits.

The plan shows a total of 545.8 acres will be used for manure application; 290.1 acres in Floyd County. The remaining 255.7 acres are located in three fields in Sections 12 and 13 of Dougherty Township in Cerro Gordo County. **The plan indicates a change in crop rotation compared to the previous year's plan.** The concerns are listed below:

- The application area is about 2¼ miles from Dougherty.
- The application area is about 2½ miles from Cartersville.
- Beemis Creek's flood plain dissects the fields in Section 12 of Dougherty Township.
- There is a small waterway in the field in Section 13 of Dougherty Township.
- There is a 61% increase in the manure production; from 596,900 gallons to 963,706 gallons.

If you have any questions regarding this information, feel free to contact this office at (641) 421-9306 or Lhunt@cghealth.com.

SUBJECT: Manure Management Plan for Elk Run Farms, Inc. (Paul Finisher Farm #64027)

This report is to make you aware of concerns regarding a Manure Management Plan Annual Update received by this office from **Elk Run Farms, Inc. (Paul Finisher Farm #64027)** swine operation. This report is being submitted according to Resolution 2003-123 **A Resolution Adopting Policy for the Receipt, Review and Comment on Manure Management Plans Received by the Cerro Gordo County Board of Supervisors.** Within seven (7) days of receipt of the manure management plan the Environmental Service Manager shall review the Manure Management Plan and prepare a report to the Board of Supervisors detailing the issues to forward to the Iowa Department of Natural Resources.

The facility is located at **334 250th Street, Meservey in Section 4 of Wisner Township in Franklin County** one mile south of the Cerro Gordo-Franklin County line. The capacity of the facility is 5,000 hogs. The 1,277,500 gallons of manure produced at this facility are stored in indoor formed pits. The plan consists of a total of 919.6 acres on six (6) fields. None of the fields are designated as HEL (highly erodible land). Two fields are in Cerro Gordo County; the remaining fields are in Franklin County. The fields in Cerro Gordo County totaling 190.9 acres are in Sections 33 and 34 of Grimes Township. **The plan indicates a change in crop rotation compared to the previous year's plan.**

The concerns for this report related to Cerro Gordo County are listed below:

- The city of Meservey is ¾ mile from the manure application field in Section 33 of Grimes Township.
- The city of Thornton is two miles from a manure application field.
- Bailey Creek Waterfowl Production Area is two miles from a manure application field.
- Ring-Neck Wildlife Area is 1½ miles from a manure application field.
- The Prairie Land Trail is about one-eighth mile from a manure application field.

If you have any questions regarding this information, feel free to contact this office at (641) 421-9306 or Lhunt@cghealth.com.
